DURATION
APROX 45 MIN

STAGE & SET

Our set consist of

- 4 lanes of reflective dance floor. Each 1.6 x 10 M. Positioned from cour to jardin. The center of this surface needs to be placed on the center of the stage.
- a DJ-table placed on the floor downstage – jardin.

Preference to play scène sur scène (if possible we would like the audience to be as close as 1 meter from the floor)

We allow drinks in the theater (audience can bring their beer from the foyer)

There will be smoking on stage.

The organizer is requested to provide:

- A minimum height of 5 meters
- A minimum width of 10 meters
- Stage left and stage right need to be closed à l'Allemande (Black BOX)
- A black back drop. (needs to be placed right behind our floor)
- An ashtray

SOUND

We bring our own mixing desk and records.

The organizer is requested to provide:

- 1x professional turntable (preferably Technics SL 1200 or 1210)

LIGHTING

The organizer is requested to provide:

One tripod for a small profile (650W pippo – we bring this one)

Preferably manfrotto with lighting stud (<http://www.manfrotto.com/lighting-stud-mr-plugs-into-super-clamp-035>)

- 4x PC Pebbles 1kW
- 6x PC Pebbles 2kW
- 3x Fresnell 1kW
- 1x HMI Fresnell – 2500W

Gels

- 3x LEE 201 (1kW)
- 4x LEE 202 (1kW)
- 6x ROSCO 372 (2kW)

Lighting console

The company brings its own lighting console.

The organizer is requested to provide:

- 1 external screen pref. 17” VGA or HDMI

SCHEDULE

Depending on the showtime.

DRESSING AREA

- 1 clean dressing room with clearly lit mirror and electricity.
- Shower with hot and cold water and fresh towels every day.
- In case of multiple performances we would need a laundry service.
- Drinking water, fruits (including banana's) and nuts.

GENERAL

- 2 lighting technicians
- 1 sound technician
- 1 light-, 1 sound technician during performances

This production is touring with 3 people. (1 technical, 2 performers)
